All area tenants are now invited to come and see the proposed redevelopment plans. Tenants and community centre staff are invited to join Housing staff:

To date, Housing and our consultants have had several meetings and/or discussion with tenants and asked for input and comments about the proposed plans. We thank you very much for your thoughts and suggestions, as they were most helpful in the development of the new plans.

We value your input and encourage you to join us, and provide your comments on the proposed plans.
